Re: **DONATION – PHOTO ATTACHMENT**

09-01

Hendricks County Fraternal Order of Police Lodge 132 in Plainfield made a donation in the amount of \$3,000.00 to Hendricks County Project Lifesaver to Brownsburg Fire Territory Lt. Ryan Miller.

Project Lifesaver is an innovative and rapidly growing program aiding the victims and families suffering Alzheimer's Disease and related disorders such as Down's Syndrome and Autism. Project Lifesaver uses state-of-the-art technology employing wristband transmitters to locate wandering and lost adults and children.

The Project Lifesaver Hendricks County program was officially established in 2008 by the Fire Territory. They currently have 3 sets of tracking equipment used to cover all of Hendricks County with 19 firefighters certified to operate the equipment.

The donation will cover the majority of cost to purchase two additional devices to share in Danville and Plainfield.

“This is just one of the many worthwhile projects the Hendricks County Fraternal Order of Police is able to help with monetary support through donations and our annual telephone solicitations. The at risk group this program is geared toward are especially vulnerable and many of our members have been touched personally so there was no hesitation on the part of the membership supporting this request”. Said F.O.P. President Dave Younce.
